

ART EXHIBITION: YOUR ENTRY COUNTS!!!

Don't forget the Art Exhibition which will be running again this year! Thanks to the curatorship of Dr Stephanie Greenwell and Dr Diana Dickson, assisted by Julie Gallagher, you will be able to enjoy an exciting exhibition of artworks.

All work offered is accepted and shown. Entries can be in any media and have in the past included paintings, photographs, sculptures, embroidery and stained glass work. There is no limit on number, type or size of works accepted from each artist. Also, there is no standard which is deemed unacceptable. The goal of the exhibition is to showcase the talents of all anaesthetists and their families or friends. The more entries we receive, the happier we are. To add a little spice, we do award a small prize to the best exhibits!

If you would like to enter work for this year's exhibition please fill in this form and return to Dr Diana Dickson or Dr Stephanie Greenwell at the addresses below.

If artists are agreeable, we offer their work for sale in aid of charity. Our chosen charity is the Royal Medical Benevolent Fund. This charity helps to support doctors and their families who, due to adverse circumstances and/or illness, find themselves in financial difficulty. Not everyone has a decent pension waiting for them if they are unable to work! This is particularly the case with young doctors. We encourage you to permit the sale of your work but appreciate that some items are too precious to be offered for this purpose. The guide price assists the organisers in raising the maximum possible amount of money.

Please give details of work to be submitted below (if necessary please use extra paper).

Title	Media (e.g. painting, photo etc.)	Approx size	May we sell for charity?	Guide price

For further information about the exhibition and to find answers to any queries please contact:

Dr Stephanie Greenwell, 16 Osborne Avenue, Jesmond, Newcastle-upon-Tyne NE2 1JQ. Tel: +44 (0)191 281 2863
