| Friday 26 March 2010 | West Suffolk Hospital, Bury St Edmonds |
| Monday 22 March 2010 | Sunderland Royal Hospital |
| Tuesday 30 March 2010 | Royal Lancaster Infirmary |

The Anaesthetic e-form offers a portal to report any anaesthesia related untoward incidents for review and learning.

A series of workshops provides the opportunity to find out more about the development of speciality specific reporting, demonstrate completion of the e-form and the subsequent process of review and determining feedback.

Please find more information and book a place on one of the workshops by visiting <http://www.nrls.npsa.nhs.uk/resources/?entryid45=65359>.
