ESA 2013 Research activities

ESA is happy to announce its research activities for 2013: programmes of Studies, Grants and Masterclasses to support research in anaesthesiology.

- A new Call for Clinical Trial Network study proposals is now ongoing. The ESA offers administrative, technical, logistic and financial support. Submission deadline: 11 February 2013.

- Call for Centers still open for CTN study ETPOS (European Transfusion Practice and Outcome Study). Would your hospital like to join this study?

- ESA Maquet Grant 2013: 10,000 euro research grant. Area of interest for 2013: Low flow anesthesia - focusing on procedures, risks and benefits. Deadline for applications: 1 February 2013.

- The Masterclass on Clinical Research is a workshop dedicated to acquire skills for designing and interpreting clinical research, producing a detailed research protocol, etc. Held in Brussels on 5-7 March 2013. Deadline for applications: 12 February 2013.

- The Masterclass on Clinical Trials &Clinical Epidemiology is an advanced scientific workshop dedicated to refresh knowledge on design and analysis of clinical studies and to update on important latest developments in design and analysis. Held in Brussels on 31 October-2 November 2013. Deadline for applications: 5 July 2013.

- Masterclass on Scientific Writing: November 2013. More information to be coming soon.
