

# The Association of Anaesthetists conferences 2019 – note the dates now!

## Winter Scientific Meeting London

09–11 January 2019, London

**Abstract submission deadline** 24 August 2018

## Trainee Conference

03–05 July 2019, Telford

**Abstract submission deadline** 23 January 2019

## Annual Congress

11–13 September 2019, Glasgow

**Abstract submission deadline** 3 April 2019

## Winter Scientific Meeting London

08–10 January 2020, London

**Abstract submission deadline** 31 July 2019

## College Tutors please note:

- Abstracts by trainees are welcome at all of the above Association conferences.
- We have found that around 10% of accepted abstracts are withdrawn because the trainee presenter is unable to get leave approved.
- Please note these dates in the leave diary, as there may be high demand for leave from trainees wanting to attend the conference, especially those with posters etc to present. (Some of these trainees may not yet have rotated to your department, or even know to which department they'll be rotating, so may not be able to put in early leave requests).

For further information on submitting an abstract, please email [secretariat@aagbi.org](mailto:secretariat@aagbi.org)
